Dear Mr. Reynolds:

RE: Reclamation Bond, Little Mountain Mine, ACT/057/002, Weber
County, Utah

I am returning the enclosed bond for a signature from the surety. The opinion from the Attorney General's Office stated that the power of attorney gives the appointed persons the power to sign for any bonds up to \$250,000.00. If the amount is over \$250,000.00, they do not have the authority. In addition, please complete the acknowledgement page.

I apologize for the delay. Thank you for your continued cooperation. If you have any questions, please call me.

Best regards,

Pamela Grubaugh-Littig
Reclamation Engineer
